

John Q and the Rich Man

-You have just about the whole pie!. We're left with sliver.
What more do...?

-To leave you a sniff.

-Ye have made of my house a den of thieves!

-Prefer the Jesus of the pretty pictures, leading faggots of the time
in a Kumbaya dance. Doing the same in heaven, if you can wait.

-Won't meet you there.

-Nope. We make one here. Get some guts and join up.
